Hello Everyone,
Mid week, mid term! Our P&C continues to be very active working on the behalf of the school / student body. As a school community we are all benefiting from their dedication.

The meeting on Monday had the following outcomes:

1. A sausage sizzle (fundraising for camps) will be held on this coming Friday instead of Tuckshop. It will be $2 for a sausage on bread & it will be at first break, as per usual.
2. The Camp Draft planned for this coming weekend will hopefully become our signature event, and promises to be a major fundraiser for the school. More details on the next page.
3. A new upright freezer is being purchased to replace the troubled freezer in the kitchen.
4. Approximately $20,000 has been set aside for play equipment for the senior students. This is largely monies that were raised from the 75th anniversary celebrations.

-- Mrs Roslyn Waldron (Principal)

**Important dates:**
- 16 - 18 August - Camp Draft!
- 21 August - some staff at PD
- 22 August - Principal Meeting

- 6 September - Spring High Tea Morning
- 12 - 13 September - 3/4/5 Camp

---

**A Burst of Colour**

Colour, texture and design are the features year 1/2 are exploring during the art and design program for term three. We have been investigating the patterns and shapes found in the range of leaves around the school and used these for creating patterns and pictures using the medium of print.

We collected a range of leaves and natural materials from around the school and used these to create either an abstract pattern or a pictorial representation of some aspect of our lives. We intend to explore a variety of printing techniques and their effect using a combination of natural collage and everyday household items. Finally, we intend to create a creature using feathers and fur-like materials as the printmaking medium.
The countdown is on!

**Who:** Families donating hot meals and/or baking.

**Where:** Undercover area at school.

**When:** This Friday, 3pm.

**Who:** Vanessa Collins has kindly offered to bring food up to grounds. For ease of delivery and preparation on the night if you are able to bring your hot meal in a slow cooker that be greatly appreciated (remember to put your name on all items, a piece of masking tape will do).

Thank you to the wonderful families who have donated hot meals and baking for the weekend.

**Rostered on a shift?** If you are rostered on a shift during the weekend, directions are in last week’s newsletter or contact me direct. Remember many hands make light work and if you have not rostered on but are able to help please come up and offer your assistance, some more help on Sunday would be appreciated.

Many thanks,

Mel Hamblin.
