Our classrooms have been blessed with creative and dedicated teachers, but it was still a great chance to over-react when the above arrived in the 5-6-7 classroom. Dressed in traditional Samurai dress (at least I think it was) our year 6 and 7 students were escorted to LOTE this Monday. Needless to say, concentration on task was definitely happening!

The P&C had a successful and positive AGM and General Meeting for the year. We encourage as many parents as possible to attend, as this is the primary forum for parental input into the school.

Amanda Borg and Mel Hamblin, have chosen to step down from the executive after a very successful but full-on 2012, and it is with great thanks we recognise their leadership and efforts. Thanks too to Jarod Moren for filling the role as Vice President.

Jeanne Rowe-Bailey has been elected as President, Mel Hamblin is filling the Vice President role, while Kylie Cauchi is happy to continue as Treasurer. Currently the position of secretary is open, and we are also looking for a uniform shop coordinator. Help is much needed in the tuckshop - a Friday morning once or twice a term.

Our school works best when we are working together, and we sincerely appreciate the efforts of the parent body. To facilitate meeting attendance, P&C meetings will be held every second Monday of the month, at the new time of 5:00pm.

Yesterday time was spent interviewing a potential new chaplain, for our two day a week chaplaincy. The outcome appears to be very positive, and hopefully an announcement will be made next week.

Thanks for the payment of invoices.

Dear Parents/Guardians,

I am writing to let you know that SLCMA has recently installed a new sign for our Office. I guess you may be wondering the relevance of this information to you?

To give you some background, at the Coastal School Activity Day held in late 2011, one of the activities involved learning about what is a catchment and how the different environments from the mountains to the sea are all linked. We discussed the Sarina Catchment and how through Landcare activities we can all do our bit to look after our catchment.

From this, the students then created drawings of what Landcare meant to them and how they could keep the Sarina catchment healthy. We let the students and teachers know that some of the drawings would be utilised to create a Landcare sign for the SLCMA office.

It has taken a little while, but we now have the new sign installed on our building! We look forward to working with you again throughout 2013.

Regards,
Saskia von Fahland

Helena has a goal ….

One of our year 2 students has a big plan. She has teamed up with Mum, and a few others to raise money for the Leukaemia Foundation, through the world’s greatest shave.

Helena is hoping to raise $250!

Anyone who is so inclined is welcome to leave a donation through the office. Helena and her mum have left behind a receipt book.

What a great goal to have… helping to help others. 😊
