Hello Everyone,

The school is more than ready for the change of pace that the holidays will bring. To a person, we are tired and ready for a richly deserved break. The school has accomplished so much this term! Thankyou for your involvement in school life.

Reward’s Day Friday, will again be using a ‘general capabilities’ focus to facilitate learning but have a more fun approach to the day in order to reward student behaviour. This Friday Mrs Marjorie Ross (our sustainability expert teacher) will be working with us around ‘Cool Schools’, there will also construction and cooking. We will finish the day with a quick parade and present the 100% attendance certificates to those who have earned them.

More and more parents are using our Eftpos facilities as well as direct/online banking. To that end, I have inserted our banking details into the footer, so that it will be there each week for ready access.

Planning for term four is well underway. To that end, each child will bring home a swimming note, invoice and medical form. Please check their bags, as it cannot be sent electronically. There are also forms for the next term’s tennis lessons.

Aaron Payne
NRL Star
Visit 5/6/7

‘Awesome’, ‘inspirational’ and ‘exciting’ are just a few words that can be used to describe the rewards afternoon with Aaron Payne. The afternoon had a double component. There was the somewhat expected variety of team games but Mr Payne also spoke to the students about responsibility and how being responsible and respectful have given him many opportunities throughout his life. He encouraged the children to take on responsibility as part of growing up, and he also awarded prizes for the footy quiz questions. Well done 5/6/7 for earning this reward as a result of your hard work and dedication to your learning this term.

Thankyou too, Mrs Howorth for using your connections to obtain this opportunity for the school.

Jump Rope for Heart Jump-Off

We had a very successful Jump-Off on Monday. Students enjoyed the competitions and prizes and have come a long way from the start of this term where many students could not skip. This event served as a culminating activity for the skipping unit covered earlier this term and as a fundraising effort for the National Heart Foundation. It is encouraging to see so many families willing to get behind this worthy cause and raise much needed funds. Just a reminder that all money raised needs to be handed into the office tomorrow, so prizes can be ordered. It is anticipated that student’s thank you gifts will be handed out early in term 4 – depending on how long it takes for everyone to hand in their forms and money. Well done Swayneville!
