Hello Everyone,

What another productive week we have had. The school had a real ‘buzz’ when I returned from Gladstone last week, with the joy in having a non uniform day and of course having the warmer spring weather.

At the moment however, the staff are experiencing a run of ill health. Jodie T is currently on long term sick leave, needing time to recuperate from surgery. She will be back next term. Carolyn Hoare has had a sudden onset of a condition that is requiring surgery. She will be off work until the end of term. Thanks for helping your children understand that teachers do get sick, and helping them deal with the change to routine.

Key personnel within our school are our Teacher Aides, who quietly and consistently work in partnership with teaching staff. They deserve every word of praise that I can send their way. Please join in, as this Friday is Teacher Aide Day.

Please note, that the Spring High Tea is a sell out! No more tickets will be sold. Thanks for the support! Have fun.

Don’t forget school photo day this Friday. Please have the children wear the dress/school uniform, and bring in the envelope with money enclosed.

-- Mrs Roslyn Waldron (Principal)

Important dates:
6 September - Spring High Tea Morning
6 September - School Photo Days
6 September - Premier’s Reading Challenge Finishes
7 September - Election Day Cake Stall
9 September - P&C Meeting @ 3:15
12 - 13 September - 3/4/5 Camp

Friday 23rd August 4 students represented our school as a “REEF GUARDIAN SCHOOL” at the Future Leaders Eco Challenge held at the Sarina High Agricultural Centre. The day was full of fun activities to increase awareness of our environment. These activities included one of our students participating with Greg the Shark to demonstrate adaption. We were amongst the first to view the High School’s new aquariums, which included Nemo - much to the students’ delight. Student also got to pat the starfish and sea slug.

After morning tea, we planted trees with Sarina Landcare at the centre. These will create much needed shade for the livestock in future years and assist with drainage. We got to visit with the goats after our hard work. After lunch which included fresh salad from the hydroponic gardens at the AG centre, and fresh eggs from the chooks, it was time to see how all this was grown. Aquaculture was also part of this process. Finally it was the worm farm, which was of particular interest to our students as the 5-6-7 room are starting their own worm farm. One student even made the Seven Nightly News. Well-done girls! Your behaviour and participation in the day’s activities were something to be very proud of.
Swayneville P&C
ELECTION Day
7 – 9 – 2013

Thanks to everyone who has indicated their willingness to help with baking goods for the Bake Sale this Saturday.

The P&C could really do with some more baked goods, so if you are interested, don’t be afraid to bring in some goods to the school (tuck-shop) on Friday afternoon or contact Jenine on 0447 487 733 to see how you might help.

For those who are providing baked goods, if at all possible would you please;
1. Place baked goods on a paper or plastic plate. For small cakes and biscuits – 6 to a plate works well.
2. Include a little note that lists the ingredients.
3. Wrap securely in glad wrap (or similar) – double wrap preferred.

Any help that you can provide with packaging reduces the workload for the other volunteers on the Friday.

If you are unable to pre-package, we still value your time and effort and are happy to accept goods in an air-tight container.

Thank you

Cookie Dough Fundraiser a success!

While the cookies may be served up regularly for a while, it is without a doubt that this fundraiser was a real treat. $550 was raised!

Well done Wendy King and team.
