Hello Everyone,

Welcome back, and welcome to our new students and families. Each of our families and students bring something unique to our school, and we all look forward to getting to know you all. Mrs Hoare has also returned from sick leave, and with relief I hand the reins back over to her, and thank Sandra for her work.

The year 5/6/7 camp is nearly upon us, Mrs T (also now recovered from sick leave) has handed out the most up to date information and a medical form for most up to date information. Those who need to finalise payments are asked to do so by the end of the week. The kids are every excited. Students who will not be attending will be catered for at the school.

We have been advised that tuckshop supplies will not be able to be delivered until Friday this week. As a consequence, tuckshop this week will be SUBWAY only. Menu attached. Orders in by Thursday afternoon please.

Swimming starts next week for the P – 2, and the following week for the 3 – 7 children. Invoices ($50 per child) have been sent home. Prompt payment would be appreciated.

Term 4 is not only packed with teaching and learning, we also have to allow for all the end of year events. To that end, all dates have been entered on our website. Below are the first few weeks. Please diarize the 11 December for Presentation Night.

---

Mrs Roslyn Waldron (Principal)

Important dates:
11 October – Subway Day
14 - 18 October - 5/6/7 Camp
17 October - Principal Meeting

25 October – School Disco (6:00 – 8:00pm)
31 October – Music – Count Us In!
6 November – Prep Transition Morning #1

---

A significant part of behaviour policy is to reward the positive behaviours and attitudes displayed by the vast majority of our students. The last day of each term, while still about learning, uses a hands-on ‘fun’ approach.

Rewards Day last term, saw a focus on sustainability with students helping to monitor energy usage and expenditure, while misting systems were installed within the school. These new systems use only a small amount of water, but significant reduces temperatures in the near-by space. (see photo above Principal Column) Used yesterday during the heat, the children really noticed the difference.

The real highlight of the day was the quick trip to France. Yes, they flew to France. There they were met by a French Chef who taught them a few French words, and greatly expanded their (shh! – healthy) cooking skills.

Thanks sooooo much for ensuring that the children come to school on the last day, as every day counts – and we treat it as such.

Moderation Planned

Teachers engage in moderation to verify that the judgements they make to assess students’ work are upheld by their peers. This promotes consistency across the State Education System.

Interschool moderation will be happening afterschool, in an online environment, during week 1 and week 2 of this term.

As moderation takes considerable preparation, again, I would like to commend the teaching teams of Swayneville. They are a highly professional group who take seriously the welfare of your children and the quality of their work.
Our Learning Objectives: 1. Reading and writing must make sense! 2. Student know what they know, and know what they need to know next!

Swayneville Swag

AWARDS!

We had 17 students in term 3 who managed to attend every day! This is compared to only 4 students who had 100% attendance in term 2. What a BRILLIANT RECORD.

Congratulations on term 3 100% attendance – Alice Hamblin, Jordannah Moren, Alesha McKewen, Abbey Smyth, Jaelee Spencer, Ellen Schwarzrock, Courtney Perna, Jesse O’Connor, Lucy Hamblin, Marissa Parker, Zach Tomlinson, Claire Perna, Ryan Dennis, Taylah Swords, Jakhobi Moren, Aiden Perna, Sarah Hamblin.

You ROCK!

Jump Rope for heart successes were also recognised on the parade before heading off on holidays.

As so many children were successful and deserved recognition, we are unable to list them all within the newsletter.

For those missing their certificate due to absence, Mrs Howorth will catch up with you.

Thanks for support of Jump Rope for Heart.

Sarina Surf Lifesaving Club
-- Nippers --

commences this Sunday @ Sarina Beach
13 October 9.00am for 9.30am start.

For further information contact the club on lifesaving@sarinasurfclub.com.au

Keeping Hydrated

With warmer weather upon us, can you please encourage your children bring a water bottle to school? It helps them monitor how much they have had, and also allows them to hydrate when in the classroom.

100% hats on heads Tuesday. Thankyou :)
